SO FAR

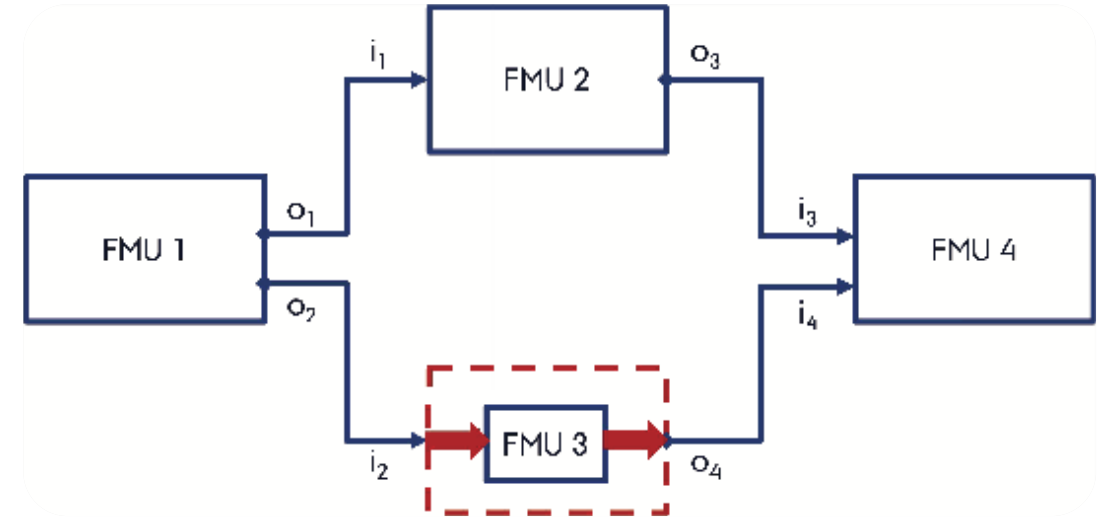

SO FAR

- Parallel Operation

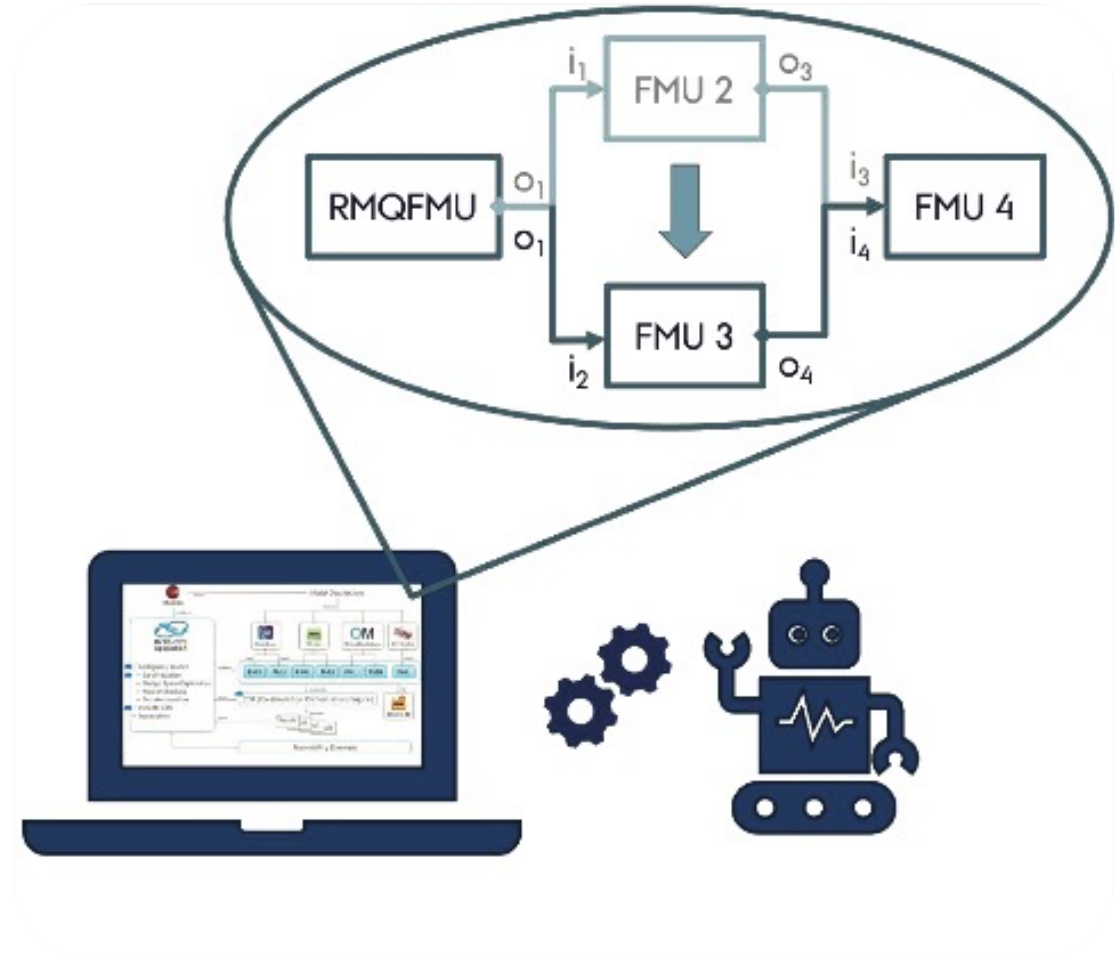

SO FAR

- Parallel Operation
- **Fault Injection with Desktop Robotti in the loop**

SO FAR

- Parallel Operation
- Fault Injection with Desktop Robotti in the loop
- **Model-Swapping @Runtime**

NEXT STEPS

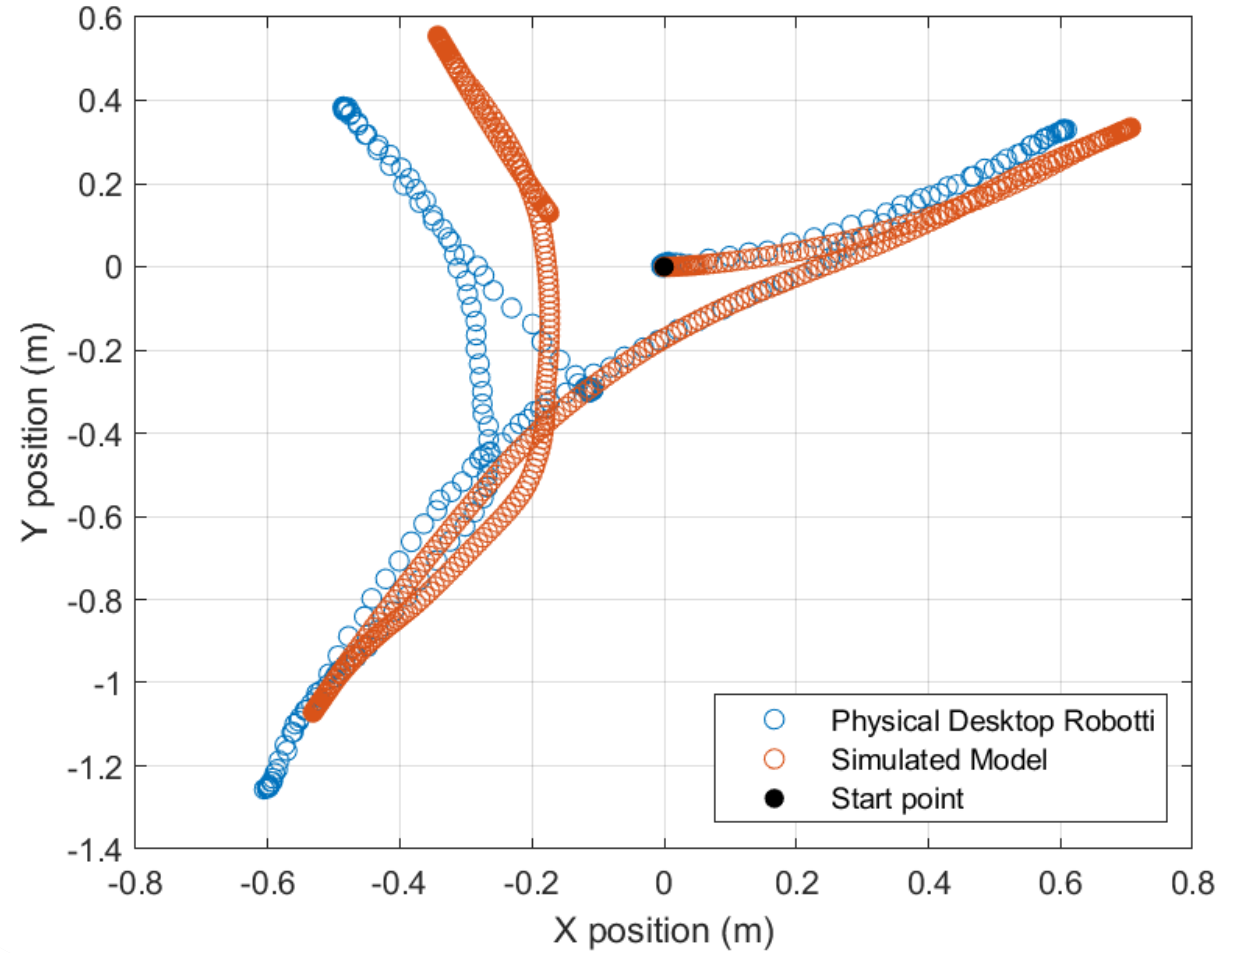

NEXT STEPS

- Parallel Operation
- **DT fidelity**

NEXT STEPS

- Parallel Operation
- DT fidelity
- **Prediction**

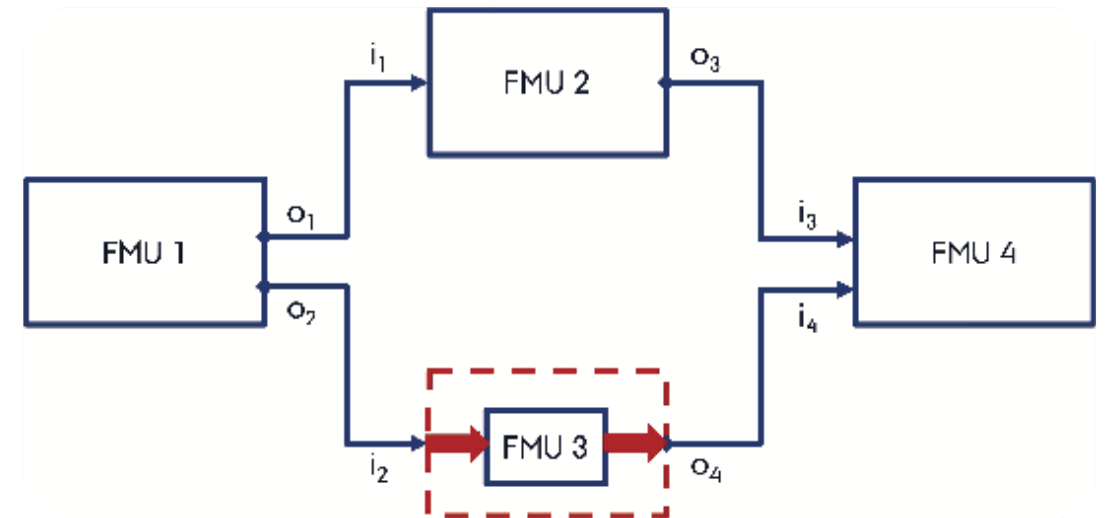

NEXT STEPS

- Parallel Operation
 - DT fidelity
 - Prediction
 - **Reconfiguration**

NEXT STEPS

- Parallel Operation
- Fault Injection with Desktop Robotti in the loop
 - Injection at the DT &PT levels

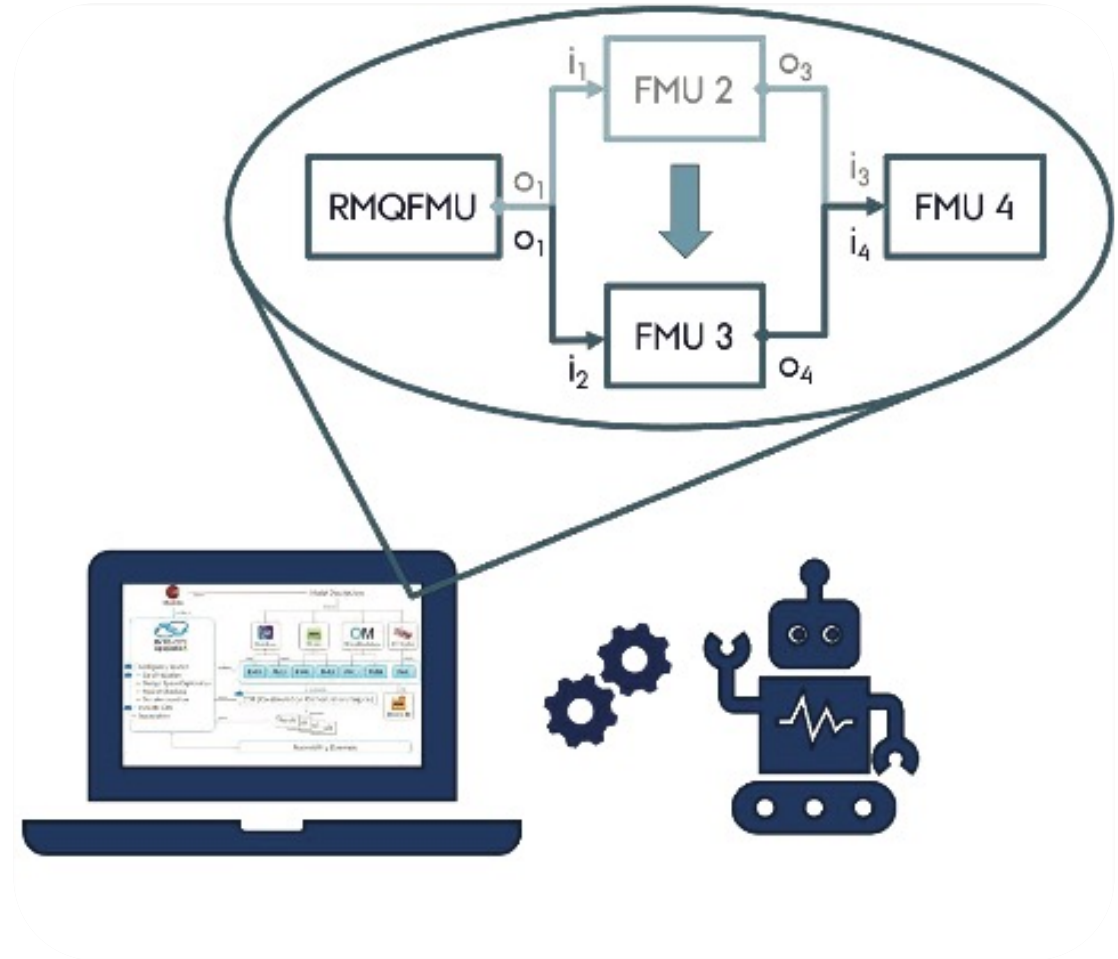

NEXT STEPS

- Parallel Operation
- Fault Injection with Desktop Robotti in the loop
 - Injection at the DT & PT levels
 - **On-going collab with FORTISS**

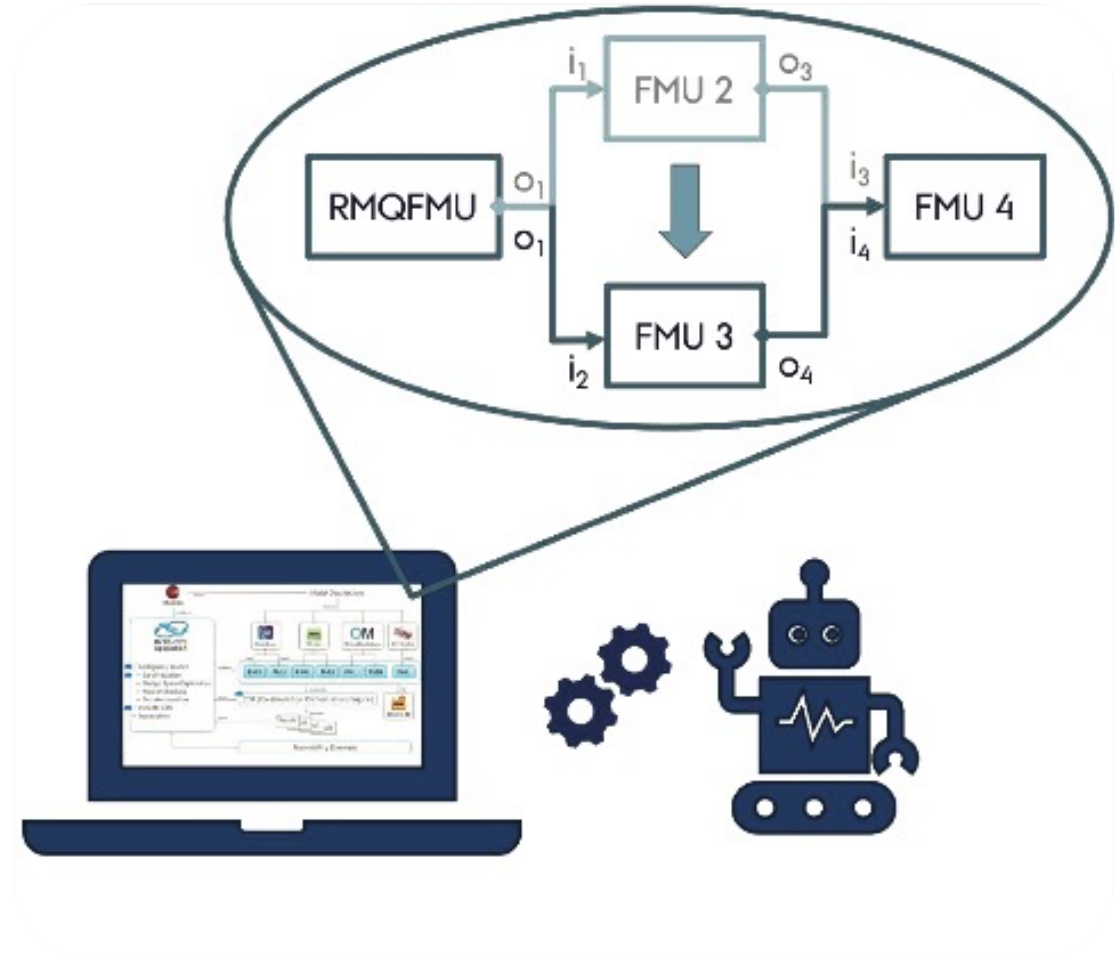

NEXT STEPS

- Parallel Operation
- Fault Injection with Desktop Robotti in the loop
- Model-Swapping @Runtime
 - **Self-triggering swaps**

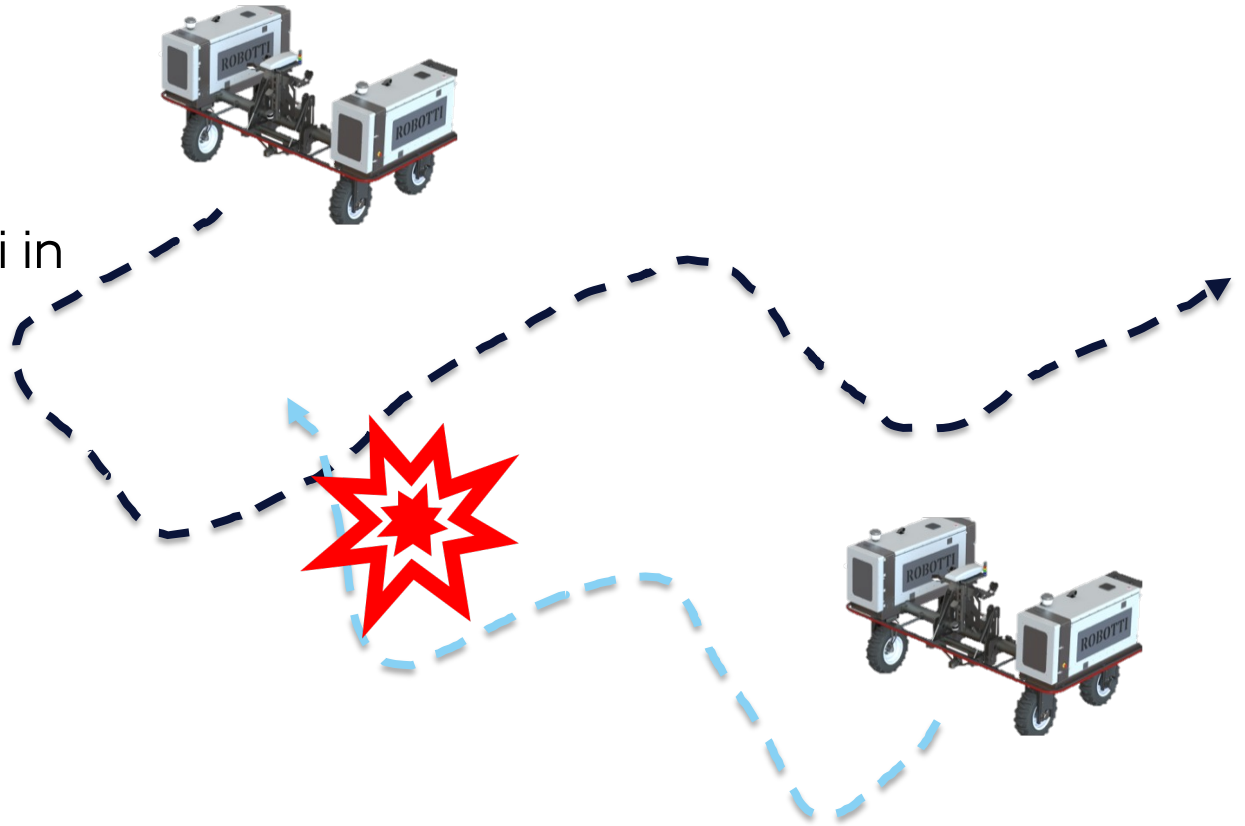

NEXT STEPS

- Parallel Operation
- Fault Injection with Desktop Robotti in the loop
- Model-Swapping @Runtime
 - Self-triggering swaps
 - **Experiments extended in time**

NEXT STEPS

- Parallel Operation
- Fault Injection with Desktop Robotti in the loop
- Model-Swapping @Runtime
- **Collision Zones Monitoring**
